Human Resources related letters and samples of all kinds are supplied on this site.

[Sample policies](#), procedures, checklists, and forms are also provided for your personal, not commercial, use. I am continuing to add to my [Human Resources sample letters](#). These sample Human Resources letters provide guidance for common letters you encounter in business and human resources. Use these sample human resources letters to make job offers, thank rejected job candidates, resign from your job, review resume cover letters, review interview thank you letters, and provide effective employee recognition. Find sample human resources letters.

Additionally, here are [sample employment letters](#) that will help you find, employ, and welcome staff to your company. The site is a comprehensive resource for your Human Resources needs. Please let me know of additions and specific topics you'd like to see covered.
